## What Christians Believe

Christian faith is about more than information; it's about faith in the living God. But who is God, what has he done, and why is "salvation" even necessary? This class will study the Apostles Creed in order to focus on basic and essential Christian teachings, with discussions to help you see how they shape your daily faith.

*Led by Mike McGarry*

## No Greater Love: A Biblical Vision for Friendship

If Jesus is right that there is no greater love than to lay down our lives for our friends, we need to learn this love as if our life depends on it. This class will discuss the blessings and challenges of biblical friendship by reading Rebecca McLaughlin's book "No Greater Love."

*Led by Trevor & Emma Trappier*

## Cambodian Class

Our Cambodian brothers and sisters in our church family gather together weekly to study Scripture, pray together and spur one another on in the faith.

## Women's Class

### Everyday Evangelism

Do you ever feel tongue tied around non-believers and struggle to share your faith even though you love Jesus? This class will provide inspiration, encouragement and strategies as we seek to share the love of Christ with our neighbors, family and friends. The weekly format will include teaching, testimonials, small group discussion and prayer. No preparation necessary.

*Led by Pam Hambley & Becky Chamberlain*

### Membership Class

The four-week class is an introduction to the theology and ministries of SSBC and an explanation of membership at SSBC. It is not only for those pursuing membership, but is open to all those who wish to learn more about the church.

*This class is a pre-requisite for becoming a member.*

*Led by Pastor Cody Busby*

## High School- Minor Prophets

Our minor prophets series continues as we study Haggai, Malachi, and a short series on the Old Testament Messianic prophecies. This is a great way to learn about these prophets in the context of the Old Testament while also seeing how these books point toward Christ.

*Led by Melissa Busby & Jeff Demosthenes*

## Middle School- Jesus Studies

The Jesus studies cuts through the confusion of teenagers' lives and gives your students a Christ-centered worldview for the major issues they are facing today. Coming out of this series, our teens will have had Jesus speak on these topics and know what it means for their everyday life.

*Led by Mike & Laura Walsh*
