PERSONAL STUDY HOMEWORK

Week of August 11-17

Getting Started

1. All of us have been a part of teams – sports teams, school project teams, work project teams, and many more. Describe a favorite team you have been a part of? What challenges did that team face? What made that team great?

Getting Into God’s Word

Read Romans 12:3-6a

1. How is using your gifts and talents to serve others different from the way most people understand “ministry”?

2. Why do we serve each other? What building blocks did Pastor Ty mention to serving each other? What verses Pastor Ty used stand out in your memory as key principles about serving each other?

Applying It In My Life

1. Pastor Ty mentioned four important components of building a successful team – trust, empathy, accommodation and mission. Why are these components vital to a successful team? What occurs when they are absent? Which of these would you like to see growth in?

2. How have you seen God use your talents and gifts to serve in the church and in the community? How would you like to grow in serving others? What is your next step?
