**PERSONAL STUDY HOMEWORK**

Week of August 29 – September 2

**Getting Started** .....

Up to this point in your life, would you call yourself a disciple/follower of Jesus Christ? Why do you say that? What is the evidence of your following Jesus?

**Getting Into God's Word** .....

**Read Matthew 28:18-20**

1. What do we learn about discipleship in Matthew 28:18-20? In the making of disciples why are baptism and teaching so important to Jesus? How do they reflect the "all authority over heaven and earth" Jesus has been given?

**Read Ephesians 4:11-13**

1. Describe the framework given by the Apostle Paul for building the church? What is the role of the pastors? Who are the saints and what is their role in growing believers to maturity? How are we to understand the word "equipping?"

**Applying It In My Life** .....

1. What excuses tend to keep you from following Jesus' command to make disciples? What do you need to do in order to move past these excuses?
2. Whom has God placed in your life right now that you can begin making into a disciple of Jesus Christ? Who in your life can partner with you to help in this process? Spend some time praying that God will make you and our church into committed and effective disciple makers.
