

**Getting Started** .....

1. Describe a time when you were delegated an important task by an authority. What was your feeling as you took on that task? How did the leader or authority support you in completing the task?

**Getting Into God's Word** .....

**Read Psalm 110**

1. This psalm of David is a "royal psalm." What events in David's life did the psalmist celebrate? What authority did God give the king? What were the roles God appointed the king to do?
  
2. Read Genesis 14:18-20 and Hebrews 7:1-3. How does Melchizedek compare to Jesus? How does Jesus' priestly role fit into his conquering king role and what difference does that make?

**Applying It In My Life** .....

1. God offers assurance that He will bring victory in the life of the king. What assurance does God offer us that as we walk faithfully He will bring victory in our lives? Where do you desire to experience victory in your walk with God?
  
2. God promises to "crush the kings on the day of His wrath." How can confidence in Jesus' future judgment and justice over the 'kings' of the earth impact how we live today? How we read the news? What we fear?
