PERSONAL STUDY HOMEWORK

Week of July 21-27

Getting Started

1. Think about the greatness of God. What hymns and praise songs come to mind that prompt you to praise Him for the great things He has done?

Getting Into God's Word

Read Psalm 98

1. What victories is Psalm 98:1 addressing? What victories has God already won on behalf of His people? What do those victories mean for us today?

2. What do we learn about God, our King and our Judge, from Psalm 98? How do these two images of God influence how we should worship Him?

Applying It In My Life

1. How is the Lord doing something new in you when it comes to worship and praise? How could you grow as a worshipper of God? What steps can you take this week?

2. Psalm 90:12, our theme verse for this series, says, "*Teach us to number our days that we may get a heart of wisdom.*" What have you learned over the last 7 weeks about not wasting time on the wrong things, but instead seeking God, His wisdom and the promises He declares in His Word?
