

# Church Plant

The Elders believe, and the Deacons are supportive, that it is time to begin a new congregation. We are in early planning stages and hope to launch it in 3-4 years.

It will be planned but unpredictable. We expect God to lead and guide as to where, when, who, and how.

# Church Plant

- 2018-19 Surplus of \$53,640 was added to the Church Plant Fund
- Bringing the balance of Church Plant Fund to \$78,615
- Funding will be increasing in annual Operating Budget so that over the next 3 years, our total balance will be at least \$100,000.
- Church Plant Initiatives Team (CPIT) has begun and is looking for people to be on it. They will help provide information about church planting, do some demographic studies, and pray for God's leading as they regularly meet throughout the year.
