

MARCH 8, 2020

SERIES: ROUTE 66

SERMON TITLE: PRE-TRIP PLANNING

“All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work.”

– 2 Timothy 3:16-17

This week we began a journey that will take us through the next 2 years or more. We will be exploring the entire story of Scripture. From Genesis to Revelation, the Word of God assures us that all Scripture is authored by God and is useful, valid, and therefore must have authority in our lives.

This week we talked about the Bible, how we got the Bible, how it is made up of 66 individual books, written by over 40 authors used by God, from 3 continents, over 1500 years and at least 3 languages and yet it tells one unified, continual and beautiful story of God’s power, love and redemption. It really is an impossible book.

No other book has the power to change lives like the Bible has. People have been trying to disprove and discredit the Bible since the beginning and after over 2000 years not one has been successful. Continual archeological discoveries support and validate the Biblical texts. We believe the Bible is the actual words of God to us. And we believe all of it is useful and still applies to us today. It is unchanging and without error. We can learn so much and grow so much if only we will dive in and begin to read.
