

## Strategy Team Announcement

September 23, 2020

This past Sunday, the Strategy Team, the team that is defining and refining the necessary steps for our new, multisite ministry, had its most recent meeting. Here are a few things we talked about:

At the beginning of the meeting we reflected on Acts 2 and talked about what it means to be the kind of church where God we praise God, enjoy the favor of all people, and where God adds to our number daily.

As a group we looked ahead to what will be happening at the Pine Grove Campus in the months to come. In October, we'll begin Bible studies led by Pastor Luke, prayer gatherings, worship nights with our worship team, regular meetings for student ministry, and our community meals ministry as well. We're excited to see how God will use these regular events to bring people together and build momentum for our 2021 launch.

Meanwhile, the renovations on the building continue and are scheduled for completion in the month of October, and the Pine Grove parsonage is under contract and will hopefully be settled by the end of the month. The team also discussed the current vacancy for our part-time children's director at the Pine Grove Campus, a role that we hope to fill in the months ahead.

While we were disappointed that, due to the pandemic, we will not hit our target date of launching on October 4<sup>th</sup>, we have been seeing God move in our midst. We are looking forward to see how he's going to use the Pine Grove Campus and all who enter there to bless our community and make disciples. If you have questions for the Strategy Team, please feel free to reach out to Pastor Luke or to e-mail [StrategyTeam@SpryChurch.com](mailto:StrategyTeam@SpryChurch.com)

Thank you!
