

Website Tips

- Always check out the Members page first. You will most likely find the information you need there. You can go to the website, stmichaelschurch.net, then scroll down and click on the Members box. Or go directly to that page: stmichaelschurch.net/members.
- Want to know what is happening? Click on Events at the top of the page. You will see a listing of featured events, which is what is happening in the upcoming days or weeks. To see a standard calendar view, click on Calendar View at the top of the Events page. To see just a listing of the events, click on List View.
- Want to see who is on staff, and maybe find out a bit about them? Click on Leadership at the top of the page. In the drop-down menu, choose Staff & Leadership. Scroll to see photos of clergy, staff, wardens, and vestry. Click on Read Bio under each photo to read more about our leadership team
- Do you want to read the sermon from previous Sundays? Click on Sermons at the top of the page. You will see our current series title, with the sermons given in that series listed below in reverse order. Click Downloads to the right of the sermon you want, and download a written copy of the sermon. You can also click one of the boxes next to Filter by, to filter by series, date, scripture, or preacher!
- Looking for historical information about the church to share with those summer visitors? Check out the Visitors page! Go to our website, scroll down and click the Visitors box. There are links on that page to our History, Organ, and Clock & Bells webpages. You can also find links to the same pages on our Members page. Scroll down to the Life at St. Michael's section for the links.
- Didn't make it to church last Sunday? You can still give your weekly tithe online on our website! Go to the website, stmichaelschurch.net, and click on the word Giving at the top of the page. Enter in your information and Voila! That's it! You can make it even easier by just typing in stmichaelschurch.net/giving
- Check out our News page! Click on News at the top of the page and find posts on coming events, photos of recent events, and other tidbits about life at St. Michael's.
