The Work That We Have to Do

A reading from a sermon of Maximus of Turin (ca. 408).

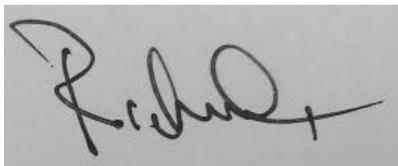

My friends, what is the use of us observing this Lenten fast of forty days without reflecting upon the meaning of what we are doing? What, for example, is the use of denying ourselves banquets, but then spending time in endless litigation? What is the use of not eating the bread we possess, if we persist in stealing that which belongs to the poor?

A Christian's fast ought to be fostering peace, not quarrels. What advantage is there in making one's stomach holy with fasting while defiling one's lips with lies? My brothers and sisters in Christ, you will be able to come to church with integrity only if your feet are not entangled in the snares of usury. You will have the right to pray only if envy is not eating your heart within you. The money you give away to the poor will be given in all righteousness only if first you have not extorted what you are giving away from somebody else who is poor.

So, let us imitate, as far as is possible, the fasting of Christ by practicing His virtues. In so doing, grace may come upon us through the twofold fasting of body and spirit.

Amen.

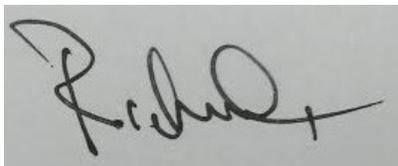

'Celebrating the Seasons: Daily Spiritual Readings for the Christian Year.' (compiled by Robert Atwell: Canterbury Press, 2006).

March 18, 2020

My brothers and sisters in Christ, God is with us - these are times we need to focus on Him. All public services and meetings at the church have been canceled for everyone's protection. We are moving quickly to provide a (1) live service that can be viewed online at 9am Sunday or viewed later on our website (stp2.org). That service will include only a small altar party and music team. We will learn as we go on this. We look forward to putting into place weekly telephone contact with you, online activities including Morning Prayer, Bible studies, classes, and other meetings. If there are things that we can do to serve you, let me know. I am still determined to serve you as priest and spiritual leader and am happy to visit you as you need. We have people that are ready to help from all across our parish, just let us know. Office hours are going to be crazy for a while. Please call before you come. If you have any extra time, please pray for our church (and our leadership, and me). Also, please increase your Lenten discipline during this time. I know that you will be blessed by your efforts. Take this time to get closer to your families and your neighbors. Jesus loves you, and so do I.

Blessings and peace. Richard+

Voice of the Vestry

"Restore me, pull me out of darkness for your glory."

During Lent my thoughts grow dim and dimmer as Holy week approaches. How is it that one gives up their life for another asking nothing in return? We know Jesus was fully divine and fully human. The suffering His incarnate nature withstood for each of us is impossible to comprehend.

Jesus restored us to Himself through His suffering and death; through Him we are restored. Despite His suffering only mercy flows from Jesus. As we look to the cross this Easter; please take what Jesus gives us and give that same mercy and love to others. Know that Jesus is with us and that we may not understand everything; but Jesus does and if we look toward Him we too may in time understand how one gives their life freely for another.

Your vestry is working diligently, through truth and light to select our next rector. We need your prayers and support. This is a daunting task and we do it freely out of love for you and for Christ's church. Will you give us grace and support us in this task? Your support and prayers are crucial. Our hearts and thoughts are to shine the light and truth of Christ; we are fully committed to Christ and to you our church family.

"Search my heart, my every thought. Shine the light of truth on every part. Let me see myself through who you are. Restore me, pull me out of darkness for your Glory."

Yours through Christ,

Mary Ditore

Your Love and Mercy is my
peace Jesus Christ.

An invitation to become a member of The Order of Daughters of the King:

What is the DOK?

The Order of the Daughters of the King (DOK) is a spiritual sister-hood of women dedicated to a life of Prayer, Service, and Evangelism. At St. Peter and St. Paul, our St. Catherine of Siena Chapter of the DOK was formed in 1991. We now have 25 active members who engage in service and prayer activities for our church. You can recognize the Daughters of our chapter by the crosses we wear as symbols of our commitment to Christ. Daughters of the King take life-long vows to follow a Rule of Prayer and a Rule of Service. We provide service at church functions whenever requested by our clergy. Through daily and on-going prayer, we strengthen and deepen our individual relationships with the Father. We pray for our church, peace and hope, for the clergy, ministries, and members of our own parish. Most importantly, we pray for individuals, offering thanks for those who receive blessings and asking for mercy and guidance for those who face illness, uncertainty or tragedy during their walk with the Lord. If you have a prayer request for the Daughters of the King, please communicate it to one of the Daughters or place a note in the Daughters' box located in the narthex. Know that your request will always be confidential, shared only among the Daughters as an act of prayer. Know also that we are blessed by the opportunity to serve and pray for you.

Prayer and Service for the Spread of Christ's Kingdom

CHOIR NEWS

Wow, what a different a few weeks make. As I sit to write this, I am at home for three weeks waiting to see what the school systems will do. This is such a time of uncertainty in the world. But our God is great, and He will never forsake us. He always gives us just what we need to see us through.

That is one of the things I love about music. Even when the world seems just a little crazy around us, music can quiet the soul and calm the spirit. This is just one of God's gifts to us, but it is an amazing one.

The Word tells us:

O come, let us sing unto the LORD: let us make a joyful noise to the rock of our salvation. Ps. 95:1

(and)

Speak to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord... Eph 5:19

(or)

My heart is steadfast, O God, my heart is steadfast! I will sing and make melody! Ps.57:7

So, in this time of craziness, I encourage you to allow God to put a song in your heart. Reach out to Him through the gift of music, whether it be through the music of hymns, contemporary music, classical music; on the radio, in Mass or however you listen to it. Much like God calls a Bible verse to mind when we need it most, God also calls music to mind in the same way. But, just like the Word of God, we must interact with music to have it within us to be called forth.

In that pursuit of putting a song in your heart, we have some great opportunities to allow God to place the music of His Praise and His Worship within us this month. Holy week is upon us. Even as I write, the Choir is in practice for their offering of music in worship during this special time of God's mercy.

When activities resume, I want to extend an invitation to come and join us in this great Ministry of Music here at St. Peter and St. Paul. We meet on Wednesday's at 7pm in the choir room.

Come and join us as we worship the Lord together through His gift of Music.

Blessings

Miranda Culp

Choir Director

Youth Summer Mission to Panama, South America.

Through prayer and discernment, we have decided to move forward in our plans to serve in Panama this summer. The missionaries that have committed are: , Abigail Hurst, Bryelle Hyde, Faith Harlan, Mallory Sarabia, Tatum Spradley, Cindy Paxton, Jacob Wooten, Amin Atkinson, Jeff Harrell, Joe Sarabia, Nate Hyde,

Please keep us in your prayers during this time.

Youth Mission does not have a budget line for funding; we must fundraise to help ebb the cost of mission. Your support is crucial. Financially and/or prayerfully; we need both. We do not go alone; but with each of you.

Youth Mission is possible because of the generosity of our community with the support of family and friends.

Many Blessings,

Cindy Paxton
