

Jesus Loves us for All Times!

Home Vacation Bible School
2020Cindy Paxton

Jesus Loves us for all times!

No matter what; no matter where;

Jesus' love is there!

Welcome to Home VBS 2020!

As we are coming out of hibernation and seeking some interaction and normality. Vacation Bible School is a great way to do that! Provided here are the bones for hopefully a great experience for you and your child/children.

This is set as a four day VBS. Each day will have a key point, a Bible Memory Verse, a Scripture reading, songs and discussion points. Easy crafts are provided separately; your child can choose one of the provided craft or there are several options out there they may like to do as well.

Each day should build upon the previous, you want the child to figure out for themselves how the Holy Spirit is guiding them; through the readings, the songs and interactions. This interaction may not be what we think; but the sweetness of the Holy Spirit in and through your child/children is amazing and radiant. We can always learn so much from the child. I pray that you are filled with their sweet insight and blessed beyond measure!

Read through the VBS in its entirety, then re-read each night to prepare your heart for the new day. We recommend to begin each session in prayer; maybe the first day you pray then ask your child/children to take turns the next day.

Remember this is the bones; you can take this and make it however you like. Dress up, have pillow time, make a sheet castle with flashlights! This is a great opportunity to build lasting memories.

To help make it more interactive there are *video and music links for each day*. Click directly on the links provided within this guide and those links will redirect you into YouTube to view each video. So, keep your computer handy. The links can be a bit persnickety; you may have to click on them twice to get to the video.

If it helps print out the guide for a hard copy to give you a quick reference. The music came from The Watoto Children's Choir in Uganda. There is a couple of small videos at the end that explain who they are.

Craft suggestions have been provided. They are available using a link on our church website at www.stp2.org. Look for Home VBS 2020; it will direct you to those resources.

The child can select which craft they would like to make for each day. They are provided on separate links. You may choose something there or do something on your own!

There is a Game page with suggestions for outside activities; you may choose from one of those or do something totally different. Remember this is the bones to get you started. Use your own creativity to make this something that your child can connect with.

The weeks' scriptures Day 1 through 3 are based on the parables in the gospel of Luke chapter 15. Each day you will explore a different parable. They are purposeful and come together quite well to show Jesus' love for us. Father, Son and Holy Spirit! The last day guides us to put into action what we have pondered this week. The scripture is from The Acts of the Apostles; hopefully by day four you and your child will be ready to go out and sing the praises of God! Father, Son and Holy Spirit! Share the love that has been freely given and give it to others!

Know that God is present and blesses your efforts to teach your child/children His truths. Go into this knowing that and explore Jesus' Holy Word with your child/children!

To check out the Intro Video! Click on the link below.

We would love to see how you used this weeks' Vacation Bible School. Send me a note or better yet a picture! I would love to share the photos with everyone at STP2! You can email me at Cindyp@stp2.org or text me at 817.456.1904!

Now let's dig in!

Resources:

We have tried to provide an enrichment for each day. It's arranged to allow the child freedom to select what they want to do each day. This may be a craft, coloring page, receipt or activity. We hope you will take the little that we provided and add to it. Use your creativity! You can do this.
