Step 2:

Choose how frequently you would like to give. You can choose between giving: one time, weekly, monthly, every 2 weeks, or twice a month.

After choose how often to give, add in your dollar amount where the 'zero' is, and then click on 'Next'.

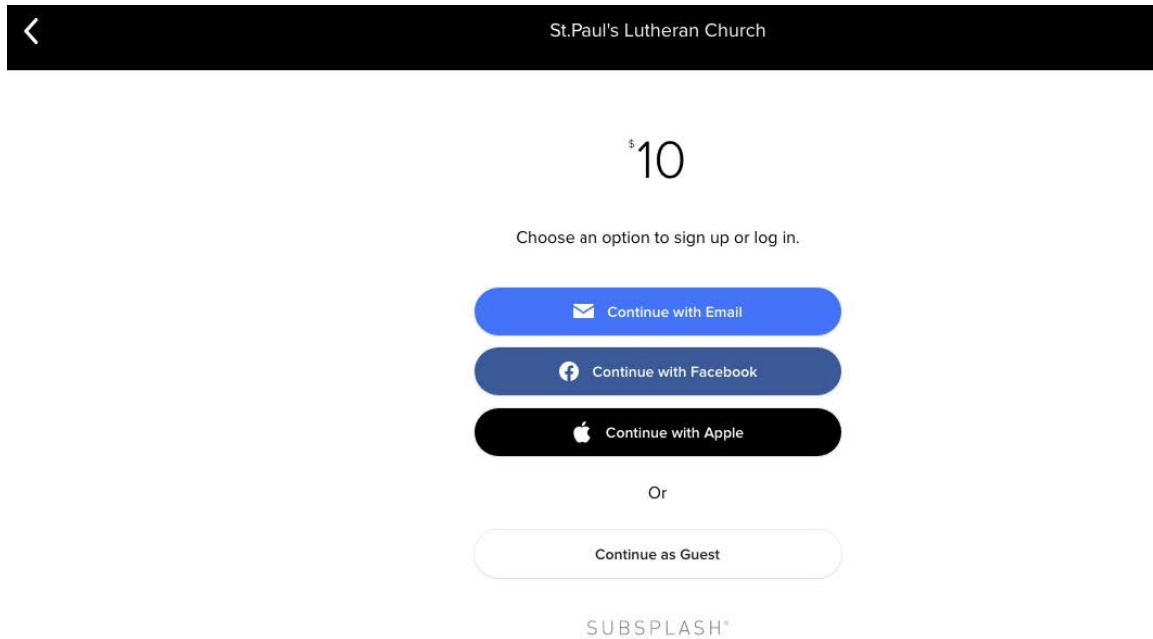

The screenshot shows a web browser window with the URL secure.subsplash.com/ui/access/9N7GXV/#/. The main content area features a blue and green gradient background with the text "ST. PAUL'S LUTHERAN CHURCH" and "SUBMIT YOUR TITHE OR DONATIONS HERE". Below this, there is a form with a "Frequency" selector showing "One-Time", "Weekly", "Monthly", and "Eve" (likely Every 2 weeks). To the left of the frequency selector is a dollar sign followed by a large "0" in a circle, indicating the input field for the dollar amount. Below the input field is the text "Enter a dollar amount to make a gift." and a blue "Next" button.

Step 3:

At this point, you can set up an account, or continue as a guest. If you are setting up a recurring donation, you will need to set up an account.

When setting up an account, you can choose to use your email, Facebook account, or Apple account.

Step 4:

After either signing in or continuing as 'Guest', you will need to enter your credit card information, or another preferred payment method as well as choosing which fund you would like your donation to go into.

You also have the option to cover the processing fee; so more of your donation is going directly to St. Paul's. Once you are done, click on the blue oval under 'Confirm your gift'. Donations will come out of your account that day.
