

5 Things You Must Know to Worship

PSALM 103

Pastor Bob Burris - July 27, 2014

1. Worship God. It's about Him, not us. Worship is praising, blessing, and thanking the Lord for all that He is. **Ps. 103:1**
2. We must notify ourselves for intentional worship. **Ps. 103:1**
3. Worship requires the whole self. Worship, by its very definition, cannot be half-hearted. **Ps. 103:1**
4. Worship means remembering, proclaiming, and savoring God's magnificent character and work. **Ps. 103:2-18**
5. Worship is a universe enthralled with a sovereign God. We worship with God. Always. We never worship alone. **Ps. 103:19-22**
