---

1. What is the difference between underserved and deserved suffering?
2. When you deserve suffering, will you bear it as discipline? (vv. 1-21)
3. When you deserve suffering, will you think of God as loving, merciful, and out for your good? (vv. 22-36)
4. When you deserve suffering, will you complain or confess your wrong? (vv. 37-42)
5. When you deserve suffering, will you count God as one of your enemies? (vv. 43-54)
6. When you deserve suffering, will you also trust God to bring justice on the agents? (vv. 55-66)
