## Happy Mother's Day

Mothers have strengths that amaze Fathers..... They bear hardships and they carry burdens, but they hold happiness, love and joy. They smile when they want to scream. They sing when they want to cry. They cry when they are happy and laugh when they are nervous. They fight for what they believe in. They stand up to injustice, especially when it comes to their children!

Mothers don't take "no" for an answer when they believe there is a better solution. They go without so their family can have. They go to the doctor with a frightened friend. They love unconditionally. They cry when their children excel and cheer when their friends get awards. They are happy when they hear about a birth or a wedding. Their hearts break when a friend dies. They grieve at the loss of a family member, yet they are strong when they think there is no strength left. They know that a hug and a kiss can heal a broken heart.

Mothers come in all shapes, sizes and colors. They'll drive, fly, walk, run or e-mail you to show how much they care about you. The heart of a mother is what makes the world keep turning. They bring joy, hope and love. They have compassion and ideas. They give moral support to their family and friends. Mothers have vital things to say and everything to give...

HOWEVER, IF THERE IS ONE FLAW IN MOTHERS...  
IT IS THAT THEY FORGET WHAT THEY ARE WORTH!

**Psalm 139:13 For you created my inmost being; you knit me  
together in my mother's womb.**

**Muffins for MOM to go...on Friday May 7th from 7-9am by PS Kiosk**

# Summer Sun!

Summer is only 5 weeks away and we are ready for some fun in the sun! Please respond to an email about whether or not you are attending this summer if you haven't already done so. Many did not select the correct 10 or 12 month section correctly on your FACTS account. Anyone can come so just let us know if we can help in any way.

Also, just as a reminder, no flip flops or open back shoes, no crocks, no short shorts, or bare stomachs.

**Hotter weather means stronger sun rays on our children. Please apply the eight to ten hour sun block on your child each day before school. We cannot apply lotion on at school.**

**Feel free to**

**have your child wear a hat if needed.**

Don't forget, we have summer themes and activities planned all summer long. We take a break from daily lessons and school work. Only review, it is Vacation time!

Look on the back of this newsletter for more on our Summer themes.

## Things hopping with our teachers!...

Along with the flowers blooming and bees buzzing, our school is growing! We have learned so many new and exciting things. This includes the alphabet and letter recognition, reading, numbers and many bible verses! Not to mention outdoor activities!

As we move into May we have new teachers hopping on board. They will have so many exciting adventures planned for getting to know our students! Mrs. Heidi will be having her baby near the end of May and Mrs. Deanna has had her baby already a few weeks ago. So we have some new part time help that will be assisting my staff as well as substituting while some staff take some time off during the summer to vacation with their own families.

Please feel free to talk and get to know our new staff. The children are adjusting nicely to the changes taking place because they know that they are loved.

I don't want to go without saying, that Mother's day is a wonderful time of year to celebrate the love and devotion of our sweet Godly women.

 **So we are sending out  
Hoppy Mother's Day  
wishes to all of our mothers!**

We love to travel and visit with family and friends. We enjoy the outdoors, swimming, playing & watching sports. Drawing, painting, riding bikes, playing cards are a few of our favorite things for our family. We are blessed to be a part of the Triad Baptist family.
