SPREAD THE LOVE

Before long, you will be celebrating Valentine's Day. So ask yourself, "What would Jesus do for Valentine's Day?" Do you think Jesus would send His mom a pretty card? Maybe He would make her a card out of construction paper. Maybe He would get chocolates for all His disciples. Or maybe, just to show how much He cares about them, He would sit down and eat with them. Jesus would ask them how they were doing. He might tell them a funny story or pray for them as He listened to some of their problems.

Jesus was a master at seeing things most people couldn't see. People who were hurting, lonely, and sad were the kind of people Jesus loved to be around. He knew if He could show them kindness and compassion, He could show them God's love. The Bible says, "God's love drives away all fear." The love that comes from God isn't some kind of mushy romantic love. It's a love that gives you peace and puts a smile on your face.

There are kids in your school and in your neighborhood who don't have much to smile about. No one is asking them over to play. No one is hanging out with them at recess. No one is saying anything nice to them. They are lonely and in need of a friend. What would Jesus do on Valentine's Day? Jesus would be a friend to the boy or girl who seems to have no friends. Jesus gave away love by doing something to put a smile on people's faces and making them feel special. There's no better role model than Jesus. Do what Jesus would do this Valentine's Day! Help Him love someone who really needs it!

A SWEET THOUGHT From Our Leader

HEY, KIDS!

We're on target for a busy February, even though the weather might be cold. (It IS still winter after all, and ... what was that ... you're STILL praying for snow???)

A note to Grades 3-5 ... mark your calendars! Our **Junior Retreat for Grades 3-4 completed (July 27-29 to Blowing Rock)** and **Junior Camp for Grade 5 completed (June 19-22 to Pine Knoll Shores)** trips are being planned, so be looking for early registration news!

I am thrilled to see so many of you on the SEAL Sheet each month. It is exciting to see you using your gifts and serving in your worship services! However, if we are not using you monthly in one of our Kids Street Church worship services, it is most likely because we haven't received a form from you, which lets us know how you want to serve. We have many opportunities for service, like helping to lead songs, leading in prayer, helping with pledges, helping with the laser pointer (during songs), ushering (boys), etc. And how do you get signed up to serve in Kids Street Church? Well, you can pick up a Servant Survey on the table outside the Kids Street Worship Center, fill it out, and get it back to me. Or you can go to our website (tbcnow.org) and fill out a form online. Just go to the Kids Street section. We would love to involve you!

Finally, this month we continue with our "How to Ruin Your Life" series in Kids Street Worship. It's been a lot of fun and very challenging, so don't miss even one Sunday as we wrap up that series this month!

Because of Him,

Mr. Tim

1 JOHN 4:7

**Dear Friends,
let us love
one another, for
love comes
from God.**

PUZZLE OF LOVE

This is a Stack-a-Word puzzle. You must figure out which words are missing in each of the verses below and then determine where they fit in the puzzle. Some are easy and some are tricky, but they're all filled with Love. Have fun!!!

“Love the Lord your God with all your _____ and with all your _____ and with all your _____ and with all your _____.”
Mark 12:30

“_____ is love.”
1 John 4:8

“Love your _____ as yourself.”
Mark 12:31

“Serve one _____ in love.”
Galatians 5:13

“And now there remain: _____, _____, and _____, but the greatest of these is love.”
1 Corinthians 13:13

VALENTINE FUN At Home

Valentine's Day is a great time for giving away love, and your family is the best place to start. Pick two nights during the week of Valentine's Day, and do these activities together as a family.

Boo! I Love You!

Make a pop-up Valentine for an extra special surprise. Fold a piece of red construction paper in half. Cut a 1 inch by 4 inch strip of construction paper and fold it into a cube with two open sides.

Make a heart out of construction paper. Write a Valentine message on your heart. Attach your heart to the top half of the construction paper by first gluing the cube on the back of the heart. Then glue the other side of the cube to the top half of the construction paper. Draw a picture on the bottom half or cut out more hearts to finish decorating your card. Have fun!!!

Hide and Find Valentines

Cut out a set of ten hearts for each family member. Make each set a different color and assign a color to each family member. Distribute the hearts evenly, but don't give anyone their own assigned color. Write a message on each heart for each family member. Hide the hearts all over the house. Then start looking for the hearts with your assigned color. Don't reveal to anyone else where the other hearts might be hiding. (Hiding ideas: tape to gallon of milk in refrigerator, place in Dad's briefcase, tape to steering wheel of Mom's vehicle, slip in Brother's shoe, put in Sister's backpack, etc.)
