SPREAD THE LOVE

Before long, you will be celebrating Valentine's Day. So ask yourself, "What would Jesus do for Valentine's Day?" Do you think Jesus would send His mom a pretty card? Maybe He would make her a card out of construction paper. Maybe He would get chocolates for all His disciples. Or maybe, just to show how much He cares about them, He would sit down and eat with them. Jesus would ask them how they were doing. He might tell them a funny story or pray for them as He listened to some of their problems.

Jesus was a master at seeing things most people couldn't see. People who were hurting, lonely, and sad were the kinds of people Jesus loved to be around. He knew if He could show them kindness and compassion, He could show them God's love. The Bible says, "God's love drives away all fear." The love that comes from God isn't some kind of mushy romantic love. It's a love that gives you peace and puts a smile on your face.

There are kids in your school and in your neighborhood who don't have much to smile about. No one is asking them over to play. No one is hanging out with them at recess. No one is saying anything nice to them. They are lonely and in need of a friend. What would Jesus do on Valentine's Day? Jesus would be a friend to the boy or girl who seems to have no friends. Jesus gave away love by doing something to put a smile on someone's face and making them feel special. There's no better role model than Jesus. Do what Jesus would do this Valentine's Day! Show His love to someone who really needs it!

A SWEET THOUGHT From Our Leader

HEY, KIDS!

We're on target for a busy February, even though the weather might be cold. (It IS still winter after all, and ... what was that ... you're STILL praying for snow???)

A note for those currently in Grades 3-5 ... mark your calendars! Our **Junior Retreat for Grades 3-4 completed (JULY 25-27 to Blowing Rock)** and our **Junior Camp for Fifth Grade completed (JUNE 18-21 to Pine Knoll Shores)** trips are being planned, so be looking for early registration news!

I am thrilled to see so many of you on the SEAL Sheet each month. It is exciting to see you using your gifts and serving in your worship services! However, if we are not using you monthly in one of our Kids Street Church services, it is most likely because we haven't received a form from you (which informs us how you want to serve). We have many opportunities for service, like helping to lead songs, leading in prayer, helping with pledges, helping with the laser pointer (during songs), ushering (boys), etc. And how do you get signed up to serve in Kids Street Church? Well, you can pick up a Servant Survey on the table outside the Kids Street Worship Center, fill it out, and get it back to me. Or you can go to our website (tbcnow.org) and fill out a form online. Just go to the Kids Street section. We would love to involve you!

Finally, this month we are continuing an exciting series in Kids Street Church. That's right! Every sports team knows that talent is not enough in order to win games and championships. You have to have more than talent. You need a strategy. You need a Game Plan. Well, God has an incredible plan for every person who makes Him the Lord of their life. Those plans are good plans to prosper and help. They are plans to help each person win at the game of life. Too often, we think our own plan might be better than God's Game Plan. When we start to pursue our own plans outside of God's Game Plan, we are sure to fail. During this series, we will learn all about how to win at the game of life by trusting God's Game Plan. By following His plans step by step and day by day, we will find that we won't just survive ... we will WIN!

We'll see you on Sunday mornings!

Because of Him,

Mr. Tim

PUZZLE OF LOVE

This is a Stack-a-Word puzzle. You must figure out which words are missing in each of the verses below and then figure out where they fit in the puzzle. Some are easy and some are tricky, but they're all filled with Love. Have fun!!!

VALENTINE FUN At Home

Valentine's Day is a great time for giving away love, and your family is the best place to start. Pick two nights during the week of Valentine's Day, and do these activities together as a family.

Bool I Love You!

Make a pop-up Valentine for an extra special surprise. Fold a piece of red construction paper in half. Cut a 1-inch by 4-inch strip of construction paper and fold it into a cube with two open sides.

Make a heart out of construction paper. Write a Valentine message on your heart. Attach your heart to the top half of the construction paper by first gluing the cube on the back of the heart. Then glue the other side of the cube to the top half of the construction paper. Draw a picture on the bottom half or cut out more hearts to finish decorating your card. Have fun!!!

Hide and Find Valentines

Cut out a set of ten hearts for each family member. Make each set a different color and assign a color to each family member. Distribute the hearts evenly, but don't give anyone their own assigned color. Write a message on each heart for each family member. Hide the hearts all over the house. Then start looking for the hearts with your assigned color. Don't reveal to anyone else where the other hearts might be hiding. (Hiding ideas: tape to gallon of milk in refrigerator, place in your dad's briefcase, tape to steering wheel of your mom's vehicle, slip in brother's shoe, put in your sister's backpack, etc.)
