Personal Greeting cards and Bible Verses

- **Greeting cards for the sidewalk Grace bags :**

“Personal” greeting cards have been known to reach these abortion minded moms in a way that some of the other literature handed out on

the sidewalk can't. There is power in knowing that you're not alone and that someone is praying for you…

- Through these cards we prayfully can reach these moms before they enter the abortion clinic, but if not their loved ones that are waiting can potentially have the chance to receive one.
- Small groups and individuals in the church that can't give financially, or just want to do more than giving and item can help by writing in these cards and praying over each one before they are placed in the bags to make their way to the sidewalk.

Dear trusted loved one of someone facing an unexpected pregnancy:

You are the greatest influence in her life today.

You can be her hero.

You can help save a life.

Abortion is not the quick fix you might imagine. It brings so much pain.

But the good news is that you have an opportunity to help her turn around and find real hope for her and for her baby.

You can make a difference!

Be a hero!

Let her know we have real help available.

We are here to listen and help with anything you might need.

You are strong!

You can do this!

Come talk anytime or text us at 336-258-0253.

We care for you and your loved one.

Your friends,

Compassion Care Center

- **<u>Bible Vereses</u>**

Our prayer through these colorful and loving index cards, moms who have signed up for our “Embrace Grace” bible studies can feel the power of God’s word come into their life each week…

- These ladies that attend a class will get to pull a new card out every week that they attend. It will be theirs to keep and prayerfully be touched by on their journey as they learn about grace and salvation.
- The goal with this part of the ministry is to get the Youth involved with writing these out.

(*More information is available about these verse cards during youth small groups at our church, please see Kyle or Morgan)*
