Sunday, October 13th
Grade K-2 Outreach Day

12:00-5:00 PM - Grades K-2 go out for lunch, minister at a local home, then go bowling! We will return to the church in time for our AWANA program. Signups are required (at the Connector Wall). Cost for the day is \$10 per child, which covers lunch and the activity.

One day while Paul was praying, God told him to go and preach the good news about Jesus. Paul set out to travel around the Mediterranean Sea telling people how their sins could be forgiven. He loved seeing people become Christians! Paul was a missionary with passion. Traveling and telling people about Jesus were what Paul loved more than anything. He would go from town to town visiting churches, and if a town didn't have a church, he would start one. Had Paul visited your church, he would have shared exciting stories of his journeys. You would have been on the edge of your seat as he described the mockery and abuse he received while preaching about Jesus.

PAUL'S PASSION

Paul was quite a man. He had been a Pharisee and had studied with a famous teacher. He understood the Jews and he was also a Roman citizen. Paul could speak many languages including Greek and Aramaic. He had something in common with just about everyone. This really gave Paul an advantage when talking to people about his favorite topic, the love of Jesus.

One night Paul was speaking to a group of people in a house when a man, sitting in a third-story window, fell asleep. The man fell to the ground outside and was killed. Paul ran down and jumped on top of the man and shouted, "He's alive!" The man immediately came back to life and Paul went back upstairs to finish speaking. That's awesome!

MARK 16:7-15
He said to them,
Go into all the world
and preach the
gospel to all creation.

Jesus commanded all of us to tell people in our world about the good news of God's love. Your world is the school you attend, the neighborhood you live in, your teammates, and your church. Ask God to give you passion like Paul to share the love of Jesus with your world!!!

MESSAGE IN A BOTTLE

HEY KIDS!!!

Do we EVER have a full month planned for October ...

- ◆ Rehearsals for our December Christmas programs continue this month. We are practicing on WEDNESDAY NIGHTS DURING the evening service. Come join us each Wednesday evening from 6:30-7:30 PM for a great chance to learn to minister in song for our program on Sunday night, December 15th. The younger choir (Age 4 to Kindergarten) meets in the Kids Kafe while the older choir (Grades 1-5) meets in the Cafeteria on the lower level. It's not too late ... we'd love to involve you!
- ◆ Outreach Days are almost here, so don't miss your chance to have a blast on the Sunday afternoon scheduled for age group! Can you say food, bowling and ministry??
- ◆ Our Fall Festival is scheduled for Sunday evening, October 27. With games, rides, food, entertainment, and of course, Trunk or Treat, this is an event you will not want to miss! Your family can even sign up for a trunk!
- ◆ Sure hope all of you are ready for a great fall! Cooler weather brings some great activities, so check that Kids Street calendar and don't miss a one of them!

Needless to say, buckle up, and get ready for a busy, yet great October! Just hang on, if you think you can!!

Because of Him,

Mr. Tim

THOUGHTS TO PONDER

Here are some thoughts to discuss on your next family journey. By the way, "Thoughts to Ponder" does not mean these thoughts should be thrown in a pond. Instead, use your noodle to think about the deeper meaning.

- ◆ Why are they called apartments when they're all stuck together?
- ◆ Why is the alphabet in that order? Is it because of that song?
- ◆ How do you tell if you're out of invisible ink?
- ◆ Why do mind readers have to ask your name?
- ◆ If you tell a joke in the forest but nobody laughs, was it a joke?
- ◆ What does the factory that makes packing peanuts use to pack them in when they are shipped out?
- ◆ What is the speed of dark?

- ◆ What would a chair look like if your knees bent the other way?
- ◆ Why do you drive on parkways and park on driveways?
- ◆ What is another word for "Thesaurus"?
- ◆ Why is a carrot more orange than an orange?
- ◆ You can't have everything. Where would you put it?
- ◆ When you erase a word with a pencil, where does it go?
- ◆ How much deeper would the ocean be if sponges didn't grow in it?
- ◆ Why doesn't glue stick to the inside of the bottle?
- ◆ If your dog's name is Spot and you accidentally spill spot remover on him, will he disappear?
