

# Crossing Students Take Out

## \*November 2nd\*

### What did we do today?

Today we talked about following Jesus. We saw a bunch of cool hiking gear and talked about following the appalachian trail. We also had a scavenger hunt. After that we watched a video from Lord of the Rings, BJ is such a nerd! We had small group and talked about following Jesus and what that means for our life. Lastly we did a trust fall to illustrate what it looks like to trust someone.

### What was the Big Idea today?

Jesus calls us all to follow him holding nothing back. When Jesus calls us to follow him it means trusting God no matter what. Following Jesus is not about being good enough, or acceptable. Following Jesus is about trusting God with everything and placing him first in our life.

### What Bible passage did we talk about?

Today we talked about a passage in Matthew 4:18-22 when Jesus first calls some of the disciples. They are fishing and Jesus calls them. The crazy thing is they dropped everything. Something even crazier is that we don't have to become good enough to follow Jesus. Those disciples in the story were stinky, dirty fisherman and Jesus called them to follow him. Jesus just wants me to follow him and that means trusting Jesus with everything.

### How do we take this & make it stick?

When you go home today sit down with your parents and discuss these questions: What does it mean for me to follow Jesus? How can I trust Jesus with more things and follow him more?
