

## 3/22 TBM Household Liturgy Guide

### PREPARING FOR THE LITURGY (*leader information*)

- **Read-** Read through and meditate on the week's passage.
- **Watch-** Set time aside to watch the teaching video and take notes. It will serve as a guide in your preparation, whether you are planning to lead the teaching or just need to have a grasp of the content so you can lead discussions well. *You as the leader can decide if you want to show the video or present the material yourself.*
- **Reflect-** After reading and watching, set time aside for quiet, personal reflection and journaling. Answer the discussion questions attached to the teaching, in preparation for asking them to others.

### LITURGY EXPECTATIONS (*leader information, summarize the Household Members bullet point and share with the household*)

- **Household Leader-** The leader's responsibility is to be a model group member and act as the primary shepherd of the household. The leaders seek to facilitate relationships, conversations, care for one another, practice and share the values of TBM, and help discover and activate the gifts of others.
- **Household Members-** Members are full participants in every aspect and component of the gathering. Members are teachable, vulnerable, and accountable to one another. Each member will be led to discover and use their gifts to encourage and edify the group and greater community in the advancement of the message, mission, and movement of Jesus Christ.
- **Simplicity-** Gatherings should be simple to organize, execute, and reproduce. The Christian community is built on the foundation of Jesus Christ who has "overcome the world" (John 16:33) and whose "burden is light" (Matthew 11:28-30). Avoid the temptation to over-complicate and over-program: let the time be an extension of the household.
- **Love-** The defining outcome of the Gospel is the believer's authentic love for one another (John 13:34-35). The culture of every gathering is to be marked by Spirit-filled love, kindness, and truth-filled grace towards every member.

### THE LITURGY

*Build your time together to include these elements. The order of these elements can be re-arranged to fit the context and culture of the household.*

- **Fellowship-** Intentional time for personal connecting, sharing of stories and life issues, and establishing authenticity and vulnerability within the group. Some examples include simple time together sharing a meal together, ice-breaker questions, or sharing Highs and Lows.
- **The Word-** Reading/watching, discussion and application of the weekly passage and teaching (provided by TBM).
- **Prayer-** This is where the power is; in our listening, receiving, petitions, and cries to the Lord. Prayer should be peppered throughout the gathering (before/after teaching, before communion, specific time set aside to pray for

each other and our community). Also set aside time to talk about the month of Prayer and Fasting (details at the end).

- **Communion-** The weekly remembrance, thanksgiving, and celebration of our union with Christ and the profession of our faith in His life, death, resurrection, and return (Matthew 26:26-29; Luke 22:14-20; 1 Corinthians 11:23-26; Acts 2:42). For those who profess faith in Jesus, you can break bread and juice to partake of or over a shared meal.
- **Worship-** Expressions of worship are encouraged to be incorporated in this time. You can listen & sing along to music (a Spotify playlist for the week will be available on the church's Spotify profile "thebridgemontrose"), read Psalms of praise & adoration, or have a member(s) lead music for the group.
- **Offering-** Offering is a continuation of our worship by giving back some of what God has graciously given to us. By holding everything in our lives with open hands (including our finances) we trust God as our Provider. We invite households to give with a grateful heart by texting bridgemontrose to 77977 and following the prompts to give online. Pray over the offering- praising God as our Provider and for the ministries the funds support, to the spread the Gospel and equip our people.

### POST-LITURGY (*read/summarize for group before releasing*)

- **Pray-** The life of a disciple is marked by one who lives in communion with the Spirit through prayer. Therefore, members are to pray regularly for the church, our neighbors, family, friends, the non-believers in your life, and your role in the mission of Jesus to participate in The Great Commission, and winning people to Jesus.
- **Act-** Active disciples of Jesus are adoptive children of God. Therefore consider, plan, and act upon any significant attitudes, beliefs, or practices related to a change of head, heart, and hands that was discussed in this week's gathering related to your personal growth and expression of being a disciple (follower) of Jesus.
- **Share-** As disciples of the way of Jesus, we are to be living examples, evangelists, and lights of hope to the world resulting from our new identity in Him. What did you learn, witness, or experience in this week's gathering that should be shared with someone else? Pray for an opportunity to share and extend an invitation to learn more about Jesus.
