

GREATER LAUNCH PLAN reLAUNCH

WEEK 1: November 19 - 25

PRAY:

Start each morning with this prayer: "God do something greater through our church & use me to play my part in Your mission".

As we are heading towards our launch & relaunch, also pray for these things:

- **God may we have a greater impact** on people in our community to help people experience their best life. May more & more people experience a relationship with You and use our efforts for You along the lakeshore.
- **God show me a way to live generously** this week and give me the courage to act on it. Help me to see how I can live on less to give more.
- **God thank you for blessing us.** Help us as a church to be a blessing to others.

OWN IT/LIVE IT:

- **Look for opportunities** to be generous with your time or resources and don't let it pass you by...maybe help someone rake their leaves or yard work in your neighborhood or give someone in need a meal for thanksgiving.
- **Invest in a relationship** with someone disconnected from Jesus. Look for opportunities to invite them to The Journey
- **Don't blow all your money** or go in debt on Black Friday.

PROJECTS: Greater Christmas Project.

Give to something GREATER. This year's Christmas project is about Kenya, cows, kids, chairs and... crap (yeah thats right! Check the next page for details).

READ: Ephesians 3:20-21

20 Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, 21 to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.

Ask God to do something immeasurably more in and through you & our church.

GREATER Christmas Project

Big Give Day: DECEMBER 16!

Every Christmas at The Journey, we look beyond ourselves to do something . . . GREATER. We make a conscious choice to not live focused on ourselves, but to make a difference globally and locally with our dollars. This year is no different. This year our Greater Christmas Project will look to impact our community, children, and the House of Hope orphanage in Kenya.

KENYA

Help buy a Cow
to provide milk & fuel.

Methane Gas Digester
Turn cow manure into fuel.

Solar Pump
for water system.

CHAIRS

Buy a Chair to provide a seat for someone to hear about God.

Fill a Chair
by inviting others to experience Relationships, Not Religion.

KIDS

Expanding Journey Kids
to 2 sites.

Help create a foundation for more kids to experience their best life.

We believe that participating in this year's Greater Christmas Project will help us to live generously and experience something greater. Enclosed in this Greater Brochure, you will find a special envelope for the Greater Christmas Project.

Would you consider participating with us, above and beyond your normal giving, in order to meet the needs of this project?

On Sunday, December 16, we will look to raise \$25,000 as a church to meet the needs of this project!

You can give at Church on the 16th of December OR on the [donate](#) page online at www.thejourneycc.com
