

The Oaks Community Church COVID-19 ReGathering Plan

Lord willing, the plan below outlines how The Oaks Community Church will move towards regathering in light of the COVID-19 pandemic. Note that we may move up *or down* a phase depending on the current situation within our community. This plan is subject to change due to continuing developments. As we progress, we may choose to unlink our phases from the county's emergency level. Please be in prayer with us for wisdom and protection as we navigate these uncharted waters and move towards meeting together!

1. Current Butler County emergency level can be found [here](#). Levels are updated on Thursday afternoons.
2. Refers to separate children's ministry activities *during* Sunday service.
3. Any statewide (like the [current Ohio mandate](#) requiring masks) would override guidelines listed here.
4. Only applies while the community group campaign is in session.
