

# Maker Of Miracles [Lyrics]

[Default Arrangement] by Austin Mark Adamec, Ian Eskelin, Krissy Nordhoff, and Lindsey Adamec

## Intro

### Verse 1

Here in Your presence, we know You see  
Our deepest heartache, each desperate need  
Every struggle, doubt and trouble,  
we lay it down at Your feet

### Chorus

Maker of miracles, God of impossibles,  
healer of all we thought was lost  
We claim authority over the enemy,  
all by the power of the cross

### Verse 2

The blood of Jesus has set us free, no longer helpless, yes, we believe  
That every struggle, doubt and trouble, we know that You have redeemed

### Chorus

## Instrumental

### Bridge

There is power, there is power, there is wonder-working power  
In the blood, precious blood of the Lamb (Repeat)

### Ending

Maker of miracles, God of impossibles, healer of all we thought was lost
