

## Things to know for Outdoor Worship at Trinity:

### Things to bring:

- Chairs for each member of the family
- Water bottles (water fountains will not be available)
- Face masks
- A joyful spirit for worship!
- Markers/crayons/quiet activities for children

### When you arrive:

- Street parking will be available and a volunteer will direct you where to go.
- There will be a registration table to sign in when you arrive to receive any necessary instructions. This will also be the place where you will receive the packaged communion elements if you will be participating in Holy Communion during the service.
- Seating will be marked off in the field and you will be directed to a specific area to sit once you arrive. Children should remain with their parent(s) at all times.
- General things to know:
- Please use social distancing at all times for anyone not from the same household and avoid any physical contact with others (hugs, handshakes, etc.).
- Masks should be worn as you arrive and leave worship. You can remove them for the worship service once you are seated and socially distant from others.
- Indoor restrooms will be available, however, please note that we will be worshipping at the Lovett field and the restrooms will be in our church building. Masks should be worn when using the indoor restrooms.

**Please plan to arrive by 10:15 so that seating can happen in a timely way with social distancing.**
