

We are moving indoors in October!

Trinity's senior leaders have continued to monitor government health and safety guidelines and best practices for gathering in a safe way throughout the COVID-19 quarantine.

As such, we've REALLY enjoyed meeting together for outdoor worship! And after a significant amount of prayer and preparation, we are planning to resume INDOOR worship services at all 4 Trinity locations on **Sunday, October 4.**

To make worship safer for you and those you love, our weekend services have been redesigned as a "touchless" environment, allowing for CDC-recommended physical distancing. This includes:

- 1) pre-registering our attendance at worship;
- 2) limiting our attendance capacity to 100 or fewer; and
- 3) adjusting worship service experiences (to make them shorter).

As for Trinity South Naperville, we are moving to a new worship location in October, since Birkett Freshman Center remains closed to public rentals. Fort Hill Activity Center, a beautiful, "newer" location owned and operated by the Naperville Park District, will be our new (albeit temporary) home for indoor worship! Like our outdoor services, we will meet for indoor worship at 9:30am on Sunday mornings. There's plenty of space at Fort Hill, so bring yourself and your mask, and we'll take care of the rest! :)

Look for the registration link in our e-news, on Facebook, or on our website at tlc4u.org/tsn. Please note that all those wishing to attend without pre-registering must register on-site as our capacity limits allow.

What You Can Expect (per CDC indoor guidelines):

- Masks will be required of everyone over age 2, at all times. (Disposable masks will be available if you forgot to bring yours!)
- Households will be seated 6-10' apart.
- The service will be 45 minutes long at maximum.
- Humming or quiet singing, while masked, will be encouraged.
- Quiet recitation will be encouraged during worship (Lord's Prayer, etc.).
- Up-front singers, leaders, and preachers will be socially distanced while leading.
- Children will remain with their parents throughout the service.
- Communion kits will be used as we celebrate the Sacrament each week.
- No outside food or beverages will be allowed in the worship space.
- Additional hand-sanitizing stations will be available throughout the building.
- No water fountains will be open or usable. The bathrooms are amazing, though! :)
- The order of service will be available through a custom website with a digital connect card, offering link, and prayer request link. There will be an "offering box" in the back of the worship space for physical offerings as well.

How You Can Help:

- Follow our e-news, website, and social media for updates and information.
- If you don't feel well or have health concerns, please stay home and join us online.
- Please wash your hands and use hand sanitizer often while you're on-site.
- Maintain a distance of six feet between yourself and other guests (apart from your family).
- Please exit the building with social distancing when the service is concluded.

As your faith community, we understand how challenging this season has been for you and your family. We're here for you and praying for God's guidance and wisdom in all the choices you face in the weeks ahead. If you need them, Trinity will continue to host online services each weekend at 5:00pm on Saturdays and 8:30am and 10:30am on Sundays. Otherwise, we can't wait to worship with you indoors again! Questions? Reach out to Pastor Mike.
