

Mission: Our mission, Making a Mess of Things through “Launchers”

A missionary was giving a devotional to our basketball team that was on a mission trip to his country of Argentina in 1983 and one of our guys asked him about his calling. Bob, the missionary turned to us but answered Kyle by proclaiming that his mission was to make a “mess of things” in the lives and thinking of his friends and then to watch God put it all back together. Our mission is the same as Bob the missionary’s by challenging our friends and neighbors to think towards and about God and their responsibility to Him.

So this week our mission is to mess up our Christian and Not Yet Christian friends by asking a few exciting, thought provoking questions and write down their answers and pray for them when we are with our family and CG. We will call these questions, “Launchers” cuz they launch our conversations into the reality of God and his ownership of all things along with revealing our need for Him.

Christian or Not Yet Christian – Launchers

Christian

- How do you know there is a God?
- What is God like? How would you describe Him?
- What is your relationship like?

Not Yet Christian

- How do you know there is a God?
- If atheist, how do you know there is not a God?
 - Why do you like believing there is not a God? What is the advantage?
- What is it like living and believing there is no God?
- How would your life be different if you believed there was a God?
