

Myosotis School

School will be starting again this month. Teachers are looking forward to seeing new faces beginning September 9th. This year, we raised money through the Village Church's Vacation Bible School and Women's Ministry to provide School Uniform Shirts for all students. School Uniforms are required by the government, but they tend to be a financial barrier to many families. We are hoping that the removal of this obstacle will allow more children to attend at the beginning of the school year. Based on generous donations, we are also sending school supplies to help the school start off the year.

Uniform Shirts with School Logo are ready

September Trip

Please pray this month for Pastor Greg Buell, Doug Kissner, and Paul Yost who will be visiting the Church and School in Tabarre, Haiti. They will be in Haiti Saturday, September 7 – Tuesday, September 10. Goals include delivering school uniforms, providing school supplies, and confirming student rolls and plans for the academic year. Additionally, the team is hoping to meet with other potential partners in the area. They hope to encourage the church, which is now meeting in the former school building. Finally, they are considering plans for a team mission trip in early 2020.

Giving Needed

Funding in 2019 is encouraging. Gifts have been received via the Summer Concerts, Church Notifications, and other generous giving. We hope to be able to provide funding for 15 more students

- Feel free to donate to the Village Church via the offering (Account 02-2548 on memo) or online at <http://www.tvpchurch.org/online>
