

Men's Training (MT)

Equipping the men of UBC in the truth for maturity, leadership, and ministry within the church and home.

Our Goal

- Every disciple obeying the Lord (**Matt 28:20**)
- Every saint equipped for ministry (**Eph 4:12**)
- Every believer presented mature in Christ (**Col 1:28**)
- Faithful men trained to lead in the church (**2 Tim 2:2**)

Our Plan

MT is a weekly training time for men who desire to grow in the truth of God. It is open to any man who aspires to grow in his life as a spiritual leader and any man who aspires to the offices of church leadership. The time together includes *both* teaching and discussion. Mandatory but limited homework is assigned.

Join us **Tuesday Mornings @ 6am in the UBC Fellowship Hall** as we seek to develop godly spiritual depth in character and convictions. We will think deeply about truth, strengthen one another's other's faith, and seek to serve Christ and the church with greater zeal.

Fall Study 2020

SPIRITUAL LEADERSHIP

Character that Compels and Influences Others

Our first study this fall will be on the godly character of spiritual leadership. There is a need in the church today to put the "spiritual" back in "spiritual leadership." As opposed to tricks, gimmicks, and leadership methods – the Bible emphasizes *godly christlike character* as the fountainhead of all ministry and influence that truly pleases the Lord.

We will discuss both the Oswald Sanders' book *Spiritual Leadership*, and other content surrounding the godly character that typifies a man of God.
