

## Rules for the Re-opening of UPC's worship service

- We will be having one service at 10:00 am. This service will be live streamed for all who stay at home or meet with their Community Groups, and in-person for a limited number of people in the Worship Center.
- Everyone in your party, including children, must have a reservation in order to attend the in-person worship gathering.
- Everyone will receive a confirmation email with your reservation with reminders of the guidelines for attending.
- In keeping with the 6-foot physical distancing requirement, we are able to provide no more than 125 reserved spots per worship gathering. Reservations will be available online only on a first-come, first-served basis.

### **ARRIVING AT UPC**

- Seating in the Main Sanctuary will include seats that may not be used due to physical distancing guidelines. Please help us abide by government health regulations by leaving **4 seats between families**.
- Please plan to arrive early so we can seat you before the start of worship and our live stream broadcast.
- As you enter the Main Sanctuary, ushers will be available to help you find seats at a safe distance away from others.

### **IMPORTANT DETAILS**

- Face coverings are required in the building for the protection of those around you. While you are moving around the building, in the foyer, and for the duration of the worship gathering, face coverings need to remain in place. If you do not have a face covering, one will be provided for you that is sanitary.
- Face covering are required by Orange County for everyone except those who are under the age of 2.
- If you or someone in your family is exhibiting any health-related symptoms, please join us for worship online.
- Childcare and Children's Church will not be available at this time. Please know that face coverings are also required for children. Please maintain the recommended 6-foot physical distance at all times, even in areas that are not marked with reminders.
- For the safety of one another, refrain from hugging, high-fiving, handshakes, or other physical contact.
- Remember your own bible, as the chair bibles have been removed to maintain cleanliness.
- Although we have a spacious foyer designed for pre and post service connection, for the benefit of everyone's safety we will not be utilizing any of this space for that purpose. Please be mindful of everyone's safety and exit the worship center as quickly as possible following the service. You are welcome to talk outdoors, but again please maintain the 6-foot distance requirement.
- If you are uncomfortable with any of these requirements or if you are part of a vulnerable population, we encourage you to join us online for worship until guidelines relax and/or you feel comfortable joining us in-person.
