Title: Jesus Teaches the Parable of the Laborers (Matthew 20:1-16)

Principle: God demonstrates His sovereign grace to whomever He chooses.
• Why did the laborers who worked the longest complain?
• What does the parable of the laborers reveal about God?
Practice: Help your child apply these truths in the following ways:
• By never being jealous of God’s grace.
• By remembering that God is sovereign over whom He saves and rewards.

Next Week: Matthew 21:33-36

Children’s church character trait for November is Thankfulness, “Being grateful and saying so.” (1 Thessalonians 5:18)

Join us on October 18 for an Outdoor Children’s Church! We will be meeting on the lawn so be prepared with a blanket or chairs. Children’s Church is for kids ages 2 years to 6th grade. Children will be split into two groups during the devotional time. Our 30 minute program will include singing and a devotional. Masks for adults and children aged 2 and up are required and social distancing of 6 feet between households is required.

GROWTH GROUPS
Growth groups provide for the type of interaction that will help you feel more connected to our church and will help you in your personal relationship with Christ. Our goal is that everyone at Valley Bible will participate. A list of growth groups and phone numbers are available on our website (valleybible.net > ministries > growth groups). You are welcome to attend any one you wish. Call the leader for information about how they are meeting during this time.

For the time being, our youth group meetings will be outside at the church. Masks and an updated permission slip are required for attending these meetings. Thanks for your flexibility as our plans keep on changing as we continually figure out the best way to serve our groups while being submissive to the guidelines of the government.
