

Village Church Young Adults Ministry

Why this ministry?

- To provide a consistent source of gospel-centered community for the young adults of the Village Church.
- To plug the young adults in with the greater life of the Village Church.
- To streamline the partner process for the young adults of the Village Church.

What do we want this ministry to look like?

- We want our Young Adults to spend large portions of time together. This will more than likely come about organically, but in order for this to happen, we will initiate with the following events and structure.
 1. We will gather for lunch followed by a day at the beach every other Sunday after church.
 2. We will have FIRST FRIDAY EVENTS: the first Friday night of each month, the Young Adults will gather for events such as a duffy boat ride in Newport, bowling, barbecues, family potluck dinners, etc.,
 3. Young Adult Mens + Womens gender specific book studies.
 4. Quarterly dinner hosted by a Village Partner family.
