

How we are ending the Awana 2019-2020 Club Year

To Leaders, Parents and Clubbers,

Due to the national, state, and local restrictions and our own concern for your health, our Awana Club will not be finishing out the year in any normal fashion.

Parents, please encourage your kids to continue to work in their Awana books. If you have not been given any other direction, I would ask that you correct/check their work and listen to their verses. You may sign them off if they have done their work correctly and said their verses with no more than 2 helps. Let us know what they have passed in their book, so we can keep a record and award them accordingly.

There will not be a Grand Prix at this time. Don't lose your car, since it can be used later.

Final Awards will be given out (delivered) on an individual basis.

If you have any questions or wish to call in the sections your child has passed with you, please call Lynette Huber at (559) 625-1942

We miss you all,

Lynette Huber
VEFC and Awana Secretary
