Growth Groups! [Questions to Get You Talking]

1. Talk together for a few minutes about what ideas stood out to you from Sunday's message, or what questions you might still have after hearing it.
2. Look together at Exodus 14:1-4, 9-10, 13-14, 21-22, 27-29. What stands out to you? What ideas does this story have in common with Isaiah 40:28? How are we often like the Israelites in Exodus 14 (see esp. vs. 11-12)?

3. Consider those times in which this big God has shown up in 'a big way' in your life. Share examples with the group.

From Knowing to Showing

In what current situations do you need to trust the God of Isaiah 40:28? How might the different parts of that verse speak to your present challenges? In light of God's promises through Jesus, take time to pray as a group for these specific points of application.

Pointers for Parents

God wants us and our children to stand in awe of Him. Isaiah 40:28 gives us an awe-inspiring view of God. Ask your kids, "What are some of the biggest things you can think of?" Trying starting with something like an elephant or car, and see how many you can think of. After each answer, remind them, "God is even bigger!"
