It is the vision and goal of Westgate Church to aggressively carry out the command of Christ's Great Commission. Therefore, we view missions as an essential ministry of our church and of individual members. We are committed to the mobilization of our own resources (prayer, monetary, and human) for the objective of reaching all peoples of the world for Christ.

Sunday Speakers

Paul Borthwick

Paul & Christie Borthwick serve on the staff of Development Associates International, a training group dedicated to the character and ministry development of leaders in the under-resourced world. Paul teaches missions at Gordon College and serves as an Urbana/ Missions Associate with Inter-Varsity Christian Fellowship.

Paul's ministry focuses on three priorities: mobilizing others for cross-cultural ministry, encouraging the ongoing growth of older leaders, and motivating the development of younger leaders. He serves as a resource person, teacher, speaker, and author.

Paul and Christie spend two to four months each year in ministry in other countries, mostly in the "Global South."

Brad Gill

Brad Gill was raised in a Christian home and attended Gordon College in Biblical Studies. In his first year at Gordon Conwell Seminary he began to explore ministry to Muslims, and ventured to the Summer Institute of International Studies in 1975, where he met Beth who also was pursuing an interest in Muslim ministry.

Brad and Beth were married in 1976, and then spent five years assisting the early development of the U.S. Center for World Mission, started by Beth's dad, Dr. Ralph Winter. In 1983 they went overseas to North Africa to do church planting among Muslim peoples. Brad is presently the editor of the Int'l Journal for Frontier Missiology (ijfm.org), a periodical dedicated to advancing the understanding of ministry among unreached peoples of the world.
