

There is great power in one person committing their life to Jesus. God can use them to have an eternal impact on the lives around them, who can in turn have an eternal impact on the lives around them. Have you completely committed your life to Jesus?

1. Are you being used by God in your life right now? How? How could you be used more?

2. What obstacles keep us from being used by God like He used guys like Peter and Paul?

---

---

---

3. Are you satisfied with simply getting to Heaven, or do you want to change the world for God? Are there big dreams that you have of ministries you could start or partner with?

---

---

---

4. Ultimately, discipleship is all about making disciples. Who are you working on to bring into a relationship with Christ? Who are you helping deepen their faith?
