

## **West Hills Presbyterian Worship & COVID-19 Precautions**

**May 3, 2020**

The Session of West Hills Presbyterian Church (PCA), desirous of holding corporate worship, has resumed WHPC's 10:50am Sunday worship service. For the time being, there will be no Sunday School, nursery, or Children's Worship. The building also remains closed to any other Sunday or weekday activities. We encourage everyone to consider their own personal health status, and use their own judgment regarding attendance. Please stay home if you or your children are unwell. We ask that you continue to maintain social distancing guidelines, and sit only with members of your immediate household. Ushers will assist in seating to maintain appropriate distances. Masks and gloves are not required, but welcomed if you feel more comfortable wearing one. The worship service is now being streamed live at our ["WHPC Livestream"](#) Facebook page. Our Sunday worship service begins at 10:50am.
