# Food for Thought

***For the week following December 22, 2019***

1. Describe some of the ways that following Jesus is harder than you expected:

2. What does Jesus mean when He says that we can have peace in Him?

3. What does Jesus mean when He says that he has overcome the world? What does this mean for us?

4. Why do you think Jesus tells his followers they will have trouble? Wouldn't it be better to paint a brighter picture of the future? Elaborate!

5. What would you say to someone who asks why they should follow Jesus if it's going to be hard?
