

Food for Thought
For the week following March 1, 2020

1. Describe your experience with forgiving others: has forgiving worked for you? How has forgiveness (or the lack of it) shown up in your life?

2. What is your motivation when deciding to forgive someone?

3. Of all the things Jesus could have asked his Father for at this moment in time, why do you think Jesus asked for forgiveness for those crucifying Him?

4. Does asking for forgiveness make Jesus weak, or strong? Pick one answer and discuss why you chose your answer.

5. What lessons can we learn for today from Jesus' example of forgiveness from the cross?
