

**Food for Thought**  
*For the week following March 15, 2020*

1. Of all the people who supported and followed Jesus, it's the women and the Disciple John who are standing at the foot of the cross. What does this say about the women? About John?

2. As the oldest son, Jesus was responsible for his mother. Why didn't Jesus make one of his brothers responsible for Mary?

3. Why didn't Jesus take care of this arrangement before this moment? (Or after his resurrection, for that matter)?

4. What does this moment reveal about Jesus' heart?

5. What is your biggest takeaway from this text? What is your biggest remaining question?
