

Food for Thought
For the week following March 22, 2020

1. Jesus earlier refuses a drink (see Mark 15:23). Why did he refuse earlier, yet expresses his thirst now?

2. John 19:28 says Jesus, "...knowing that all was now completed..." states that he is thirsty. What was completed? How did Jesus know it was completed?

3. John's scripture also says that Jesus said, "I thirst" in order to fulfill prophecy. What prophecy? How does Jesus fulfill prophecy by saying it?

4. What other fulfillment of prophecy do you see from the cross? (Cite Biblical references to remain accurate!)

5. What other biblical references do you know regarding thirst and/or water that might apply to Jesus' situation?
