

Food for Thought
For the week following May 3, 2020

1. What would have to change (if anything) for you to be able to say that “The Lord is my shepherd?”

2. How has the current crisis affected your thoughts about what you need? How has your thinking been affected?

3. We have been “made to lie down” as our travel and activities have been limited. What is this down time teaching you?

4. What is the purpose of a shepherd’s staff? Why would that be a comfort to the author of Psalm 23?

5. What are the biggest lessons you’ve learned? How might we share them in a way that helps others?
