

**Food for Thought**  
*For the week following May 24, 2020*

1. What does David mean when he says that “[God] prepares a table before me?”

2. Why would God prepare a table in the presence of David’s enemies? Why is that significant?

3. What do you think David means when he says, “My cup overflows?” What would that overflow look like today?

4. David also says that God’s goodness and love will follow him all the days of his life. How did David experience God’s goodness and love in hard times? How do you?

5. Now that you’ve had time to reflect, what new lessons have you discovered? How will these lessons affect your daily life?
