

Food for Thought
For the week following June 28, 2020

1. How would you define being a Steward?
2. What are you currently a Steward of? (Make a list).
3. What do you think is the difference between wise and unwise living in verse 15?
4. Why does Paul stress, “making the most of every opportunity?” What does that look like today?
5. Are there any changes in your views of stewardship as a result of today’s study? If so, share with at least one other and encourage them to do the same! (And you can always share your story for our “Life is Different Blog!”)
