

Food for Thought
For the week following August 2, 2020

1. Describe some of the ways we might be tempted by power or status today. Where have you seen this in your experience?
2. Satan tests Jesus for the third time by offering Jesus all the kingdoms of the world. Is this something Satan could deliver on? Make case for or against and find a friend to discuss!
3. Why is Satan trying to get Jesus to worship him? What happens if Jesus does worship Satan?
4. What can we learn from Jesus' response, that we shall worship God and serve God only? Does that clash with anything we're doing today? Elaborate.
