

Food for Thought
For the week following August 16, 2020

1. Describe the ways you are encouraged by your relationship with Christ. How might you use that to encourage others?
2. Describe what Paul means by being “like-minded.” How might we become like-minded?
3. How can we consider others to be better than ourselves yet still maintain boundaries so that we are not taken advantage of or abused?
4. How would you answer someone who objects to the idea of looking out for someone else’s interests when they can’t even handle their own life challenges? Should they be excused?
5. What could WordServe do to move towards being one in spirit and purpose?
