

Food for Thought
For the week following November 29, 2020

1. Use a reliable source (e.g., commentaries, trusted websites) to learn more about King Ahaz. How would you describe him?
2. Why do you think King Ahaz refuses to "put the Lord to the test?"
3. Why does King Ahaz's refusal to put the Lord to the test try God's patience?
4. Why is the sign that God gives about the coming of Jesus?
5. What lessons can we take away from King Ahaz? From the prophet Isaiah?
