2. Who are the poor and needy in this passage?
3. How do the poor become rich?
4. How does this passage relate to your life? To the life of WordServe Church?
5. What will you do differently as a result of today's study? Put yourself in the position of one of the people who carried the paralytic to Jesus. Describe what challenges they would have had to overcome. What risks did they take? What was their motivation?
5. Who might you bring to Jesus this Christmas season? What challenges and risks are you willing to take? What will your motivation be?
