

"State of the Communion"
Nehemiah 1:5-10

Greetings, WordServe Nation! These "notes" are designed to be a survey that you fill out and turn back in. The printed version can be dropped in the offering basket, or you can fill out the online version at your convenience <https://wordserve.ccbchurch.com/goto/forms/442/responses/new>

Please prayerfully consider how you might answer the following questions:

1. What are the greatest needs you see as you look around your neighborhood? (Think spiritual and relational needs, not just material).

2.. What are some ways the church (not just WordServe) could help meet these needs?

3. What are WordServe's greatest strengths when it comes to influencing people on Christ's behalf and making disciples?

4. What are WordServe's greatest weaknesses (what prevents us from influencing our world, our neighborhood, our social circles)?

5. If you were responsible for mobilizing WordServe Church to connect with people and make disciples in Fulshear and the surrounding area, what would be your top 1 to 3 priorities? Why?

6. Anything else you'd like to say as we look forward to 2021, teaching the Word and Serving the world?
